1 We are com-ing, we are com-ing, Don't you hear us on our way? We are backers but not  
 2 O'er the o - cean, there's a no - tion, Un - cle Sam won't fight they say But when his Kha-ki boys get

slackers nev - er, come what may. We were nap - ping, now we're tramp - ing; All the world has joined the  
 bu - sy Some one's got to pay. We would live in vain, could we see the pain Of our brothers o'er the

throng And we're going to win for we'll not give in, And we hope it won't be long.  
 sea, And not hear their call, be - fore they fall, It's up to you and me.

*p-f* CHORUS:

1 Hear the call, it's for us all, Join Free - doms might - y ar - my  
 2 Do your bit for Un - cle Sam, And join his might - y ar - my

1-2 Stand back of dear "Old Glo - ry" Help us now, we pray. Where we're go - ing, — there's no know - ing — But we're sure - ly on our way, — And we're going to fight till we win the right For the World and the U. S. A. A. A.

3

Fathers, mothers, sisters, brothers  
Dearest friends we ever knew  
"Here's our love to wives and sweethearts,"  
They are all true blue  
But we've got to pay all we owe today  
To the heroes gone before  
Tho our eyes are wet, "lest we forget,"  
We go, we can't do more.

## CHORUS

Over there—in France somewhere,  
Your boys to you are calling  
Stand back of dear Old Glory, etc.

5

In the world today  
There are souls who pay  
For a tyrant's cruel greed.  
Shall we stand and see them suffer  
In their awful need?  
No! we've given our hands  
To all other lands  
And to God we've given our trust  
So we're going to see  
The whole world free,  
For the Power that's sure is just.

## CHORUS

Hear the call—it's for us all:  
"America forever!"  
Thank God for dear Old Glory,  
She must live away  
Now she's going and we're knowing  
She will see the glorious day  
When men won't fight  
And 'twill all come right  
For the World and the U.S.A.

4

Over land and sea,  
Every man is free,  
Where "Old Glory" waves above  
With its Stripes that stand for freedom  
And its Stars for love.  
It's protected you —  
Thank your God 'tis true —  
Foes and traitors have to go  
It shall never wave over any slave  
"Right is Victory," we know.

## CHORUS

Uncle Sam has called us all  
"Our bit" is now or never  
Stand back of dear Old Glory, etc.
